

REMARKS

A rejection under 35 USC 112, second paragraph, directed to use of the term “about” was issued in USSN 11/343,591. Given the similarity of the claims in this application and USSN 11/343,591, in order to expedite prosecution applicants are amending the subject application to remove the word “about” when used in connection with the phrases “greater than” and “less than.” It is believed that the amended claims meet the requirements of 35 USC 112. In addition, applicants have corrected an obvious error in claims 80-82. Entry and consideration are respectfully requested.

In view of the foregoing, allowance of the above-referenced application is respectfully requested. Should any matters remain, the Examiner is invited to telephone the undersigned at the below-listed direct dial telephone number in order to expedite prosecution.

Respectfully submitted,

/Mark D. Kuller/
